

## PARENTAL PERMISSION FORM

(Parental permission is required of any volunteer applicant under 14 years of age)

The Douglas County Libraries would like to provide your child with a positive volunteer experience. While we appreciate the help a young volunteer can provide, we assume no responsibility for volunteers under 14 years of age should they decide to leave the job assignment or library facility.

It is our policy that a parent or legal guardian, job coach any volunteer less than 13 years of age by working side-by-side with such volunteers during their shift.
